### UCR statistical information current as of March 2, 2006

The local law enforcement agencies have been requested to forward to Public Safety copies of their reports of all criminal activity occurring on off-campus properties belonging to campus-affiliated organizations recognized by MTSU. These, along with crimes occurring on campus, are reported monthly to the FBI and TBI and annually to the Department of Education (DOE) as required by the Cleary Act.

The annual report is prepared each January for the previous year. These results are published and distributed in the Public Safety calendar, the semester class schedule book, employee orientation materials, and on the Public Safety Web site: <http://police.mtsu.edu>.

Middle Tennessee State University makes available to interested parties crime rates, statistics, security policies, and procedures. If you wish to review or receive additional copies of this information, please contact Interim Chief Roy Brewer, Public Safety, Middle Tennessee State University, Murfreesboro, TN 37132, (615) 898-2424.
