

"ECHOES OF AMERICA"  
VIDEO TAPE

92-050

**Physical description:**

1 half-inch video cassette tape (VCH-0171)

**Dates:**

ca. 1990.

**Provenance/agency history:**

This video tape was provided by the program producer through their consultant Bobby Fulcher, an employee of the Tennessee Department of Conservation who has coordinated several successive years of the Tennessee Banjo Institute.

**Scope and content:**

"Echoes of America", a British Independent television production about American banjo music, contains footage of various old-time, bluegrass, minstrel and classical banjoists.

**Location:**

This video tape is filed first by format, then by tape number, in the audio visual archives.
