SGA Resolution No. 13-03-S

A RESOLUTION TO: Ensure that all speed bumps on campus are painted with high visibility traffic paint.

Whereas: Some speed bumps on campus are not properly painted and are difficult to see when driving at night.

Whereas: Being unable to see speed bumps increases the likelihood that students, faculty, staff, and guests of the University could cause major damage to their vehicles.

Therefore, let it be resolved by the 65th SGA congress that:

Section 1: ^{upon passage} All speed bumps on campus ^{be} ~~are~~ painted with high visibility traffic paint.
