

SGA Resolution No. 13-04-F

A Resolution to open the parking lot behind Greek Row, and the parking lot by the Sigma Alpha Epsilon house after 6:30 p.m.

Whereas: All faculty lots on campus are open by 6:30 p.m., some even at 5:30 p.m.,

Whereas: There are sporting events taking place at the intramural fields many nights of the week, and the students participating in these events are ticketed for getting involved in school activities,

Whereas: Homecoming events, Lip Sync, as well as Step Show practices bring numerous students to Greek Row to practice in the fraternity house, thus not enough parking is available for these students to utilize,

Whereas: There is more parking available on Greek Row than there are students living on Greek Row,

Whereas: Students are getting tickets as late as 8:00 p.m. for parking after dark on Greek Row,

THEREFORE, LET IT BE RESOLVED BY THE 67TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:
