

**SGA Resolution 11-06-F**

**A Resolution to have MTSU implement a roll over system for on campus meal plans and flex dollars.**

**Whereas:** Students who purchase a meal plan should be able to use every meal they purchase,

**Whereas:** Due to the hours of the on campus restaurants, students do not get to use all of their meals,

**Whereas:** If meal plans were allowed to roll over each semester, students and their parents would be able to save money,

**Whereas:** Several other schools in the state of Tennessee already have a system such as this in place,

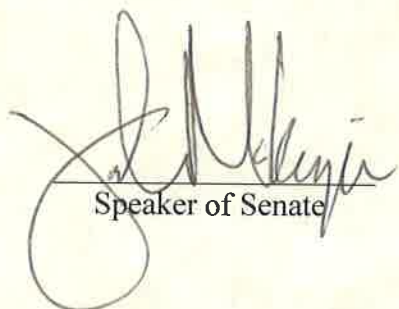

**Whereas:** Schedules for students vary from week to week and sometimes use more than their 5 or 10 per week and sometimes they use less,

**THEREFORE, LET IT BE RESOLVED BY THE 69<sup>TH</sup> SGA CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:**

**Section 1:** Meal plans and flex dollars should roll over from one semester to the next including the spring semester to the fall semester.

**Section 2:** Instead of students purchasing 5 or 10 meals a week, they purchase a certain number of meals per semester that can roll over if they are all not used.
