

**Tentative SGA Resolution 9-15-F**

**A Resolution to Eliminate Service Scholarship hours and replace them with a college based internship program.**

**Whereas:** The current MTSU Academic Service Scholarship hours violate the TBR Regulations for Service Scholarships.

**Whereas:** The students receiving these scholarships are high achievers for the university and shouldn't be required to give back an additional 5 hours per week.

**Whereas:** The required hours have been eliminated for Freshmen and any future recipient, but are still in effect for Sophomores, Juniors, and Seniors as a part of a "phase out" program.

**Whereas:** There is an excess of the amount of scholarship workers in academic areas that are not needed thus resulting in the supply outweighing the demand.

**THEREFORE LET IT BE RESOLVED BY THE 78<sup>TH</sup> CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:**

**Section 1:** The Service Hours required by the Academic Service Scholarship be changed for all students in order to comply with TBR Regulation, and allow high achieving students of the university to have time to excel in other areas.

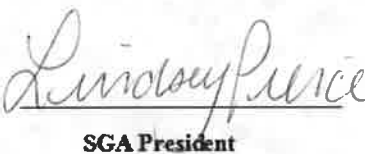

**Section 2:** Current students will be exempted from the program if they are involved in one of more aspect of campus life (Band, SGA, SOA, Blue Elite, etc as decided by the administration of MTSU).

**Section 3:** This Resolution will go into effect immediately upon favorable passage.
