

Resolution 7-09-F

A resolution for Parking Services to repaint the motorcycle parking spaces to be more accessible and user friendly to motorcycle riders.

WHEREAS: A noted desire of the student population who rides motorcycles is parking spaces that allow them to pull out their bike without moving other motorcycles.

WHEREAS: The way the spaces are painted now, in a box shape, forces bikers to move others' bikes to make room to get theirs out.

WHEREAS: Moving other riders' bikes without permission creates issues due to some bikes being damaged upon removal.

WHEREAS: Repainting the lots in a parallel-diagonal fashion will allow easier access.

THEREFORE, LET IT BE RESOLVED BY THE 72nd CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: The Motorcycle lots on campus shall be repainted by Parking Services in a parallel-diagonal fashion to allow easier access for motorcycle riders as soon as feasibly possible.

Section 2: This resolution will affect the BAS and Peck Hall motorcycle parking lots.

Sponsored by: Senator McDaniel
Senator Thomas
Senator Dunlop
